Hamlin Garden Club Asks Backing In General Clean-Up

Next Week, Monday-Sat.

Everybody's Help Needed

Already Hamlin people are seeing evidences that Hamlin has a new Civic Club. It is the Hamlin Garden Club which was organized last fall and now has 52 enthusiastic members.

It is appropriate that this, the youngest club in Hamlin, should ask for a general clean-up, in preparation for the task of keeping this community cleaner and attractive during the summer and fall months.

The first great step is a CLEAN-UP, which is an annual affair in all well organized towns. This campaign has been delayed for several causes one of which was the oft repeated rains. The lateness of the season and the abundance of moisture makes the clean-up all the more a matter of necessity.

Great growths of wild rye, early weeds, and mesquite sprouts have already made unsightly conditions in many localities. Therefore the Garden Club takes the lead in asking every club and organization in Hamlin to lend their support and financial assistance beginning at once. That means next Monday, when Hamlin people are asked to give extra time and energy to cleaning around their homes and lots... that means clear out to the traffic path, back to the alley center.

All the clubs in Hamlin have "Civic Committees" and the members of these various committees are asked to co-operate with the Garden Club in all civic efforts, not only just for the immediate Clean-Up, but during every week and month of the year.

Clubs that have already pledged their support to the Garden Club, includes

The Wesleyan Guild
The Elementary P.-T. A.
The High School P.-T. A.
The Woman's Literary Club
The Schubert Music Club
The Boy Scouts
The Girl Scouts
The Rotary Club
The Lions Club
The Chamber of Commerce

and the colored people are to take a part in making their part of the town clean and attractive, not only just next week, but all along during the year.

The City of Hamlin, Mayor Culbertson, the Council, City Marshal, and the Water Superintendent and his force, all will co-operate with the Garden Club in this task.

The City usually hauls off all trash and rubbish, gathered by individual property owners, when piled in the alley-way. This service costs the individual nothing. The City expects every one to do the cleaning at this time in co-operation with the Garden Club and others.

All trash should be ready for hauling by next Friday or Saturday or if rains prevent, then as soon as possible.

The town will be zoned so that each district will have a chance to show what improvements can be made in cleanliness and appearances.

The women of the various Clubs will distribute instructions Saturday morning, if weather permits, and their solicitations will be made if possible in personal contact.

This is the first year Hamlin has ever had more than an abundance of good water, and the City is go-

ing to grant quite a reduction in the excess rate beginning May first. With a cleaner town, and with a Garden Club that will soon include 100 members, Hamlin should be noted for its beauty. Will anybody or any club fail to support this worthy enterprise? It will be worth more than the small sum required.

Contributions will be accepted for use on cleaning lots not occupied. Work will be done effectively during the whole year. So your investment will be a good one. Let's stay with the Garden Club and help make Hamlin cleaner. Remember, the clean-up starts Monday, April 28, and lasts the entire week.

Mrs. J. L. Keen has been in the Abilene hospital since Friday of last week. She was in a serious condition for some days but reports indicate she is improving but likely she will be confined to her bed for several weeks. Her sister, Mrs. Nannie, of California, and her son, Morton Keen of Weslaco, Texas, were called to the hospital.

Mrs. Norman Anderson returned last Friday from a two weeks' visit in Houston, Galveston and Dallas.

S. D. McMahon was brought home from Dallas late Tuesday following a major operation on his throat. He is improving and should soon be back at his place of business, in a few days.

A BABY GIRL

Mr. and Mrs. Dan Branscum are parents of a 6 1-2 pound baby daughter, Patricia Dan, born Friday morning, April 18. Both mother and baby are doing fine.

A FINE SON

Mr. and Mrs. Robert Campbell will hereafter celebrate San Jacinto Day with new zeal after this year, as it was on that day, Monday, April 21, 1941, that a big fine son was born to them at the Abilene hospital. His name is Robert Almoore Campbell, weight seven and half pounds. Yes, he is read-headed, just like dad. You see this boy is a prize winner, from the fact that Mr. Campbell is a teacher of Agriculture in the Hamlin High school, and leader of the FFA which sponsors prize winners.

Organ Recital At The Methodist Church

Mr. John J. Josey, organist for the First Baptist church of Amarillo, will give a demonstration on the Everett Orgatron, an electric organ, at the Methodist church on Thursday evening, May 1st.

Mr. Josey is an outstanding organist and master musician. This combination offers to the lovers of music a rare opportunity to hear the best in organ music.

No one can afford to miss this opportunity to hear the best in beautiful organ music. It is free and the public is cordially invited to attend. Remember the date, Thursday, night, May the 1st.

The Herald anywhere, 1 yr. \$1.00.

METHODIST CHURCH

JAMES E. HARRELL, Pastor

Sunday School, 9:45 A. M.
Morning Worship, 10:50.
Intermediates, 7:15 P. M.
Senior Young People, 7:15 P. M.
Evening service, 8 o'clock.

Woman's Society of Christian Service, Monday afternoon at 3:00
Mid-week prayer service, Wednesday evening at 7:30.

Choir practice Wednesday night at 8:15.

The Abilene District Conference will be held in Merkel on Tuesday and Wednesday, April 29th and 30. Ten delegates and the pastor will represent our church in that meeting.

A demonstration on the Everett Orgatron, an electric organ, will be given by Mr. John J. Josey, organist for the First Baptist church of Amarillo, at our church next Thursday night, May 1st. The public is invited to attend.

Are you neglecting your church attendance? If so, what excuse can you make to your Savior for being so careless and indifferent? Turn over a new leaf by starting to church next Sunday. You will feel better about it and your Lord will be pleased with your renewed efforts to serve Him. TRY IT SUNDAY! You will want to hear the pastor's sermon Sunday morning on "Drifting, Drifting, Drifting"; and Sunday night on, "The Great Invitation."

"Go to Church Sunday and you'll feel better all week for having done so."

We welcome visitors.

Four Hamlin Students In The Bach Festival

(Special to The Herald)
Denton, Texas, April 22 — Four Hamlin students at North Texas State Teachers College will participate in the Bach Festival to be presented at the college May 2, 3, and 4th.

Miss Anita Anderson, daughter of Mr. and Mrs. V. V. Anderson, will be one of the singers in the Oratorio Chorus when the Bach B Minor Mass is sung Sunday afternoon, May 4th, climaxing the Festival. Miss Anderson is a freshman music major in the college.

Charles Brown, son of Mr. and Mrs. H. E. Brown, will sing in one of the two choirs who present Bach's "St. Matthew Passion" Friday evening, May 2. Brown is a freshman, majoring in music.

In the Oratorio Chorus will be Miss Maxine Brundage, freshman daughter of Mr. and Mrs. B. M. Brundage, who is also a music student.

Stanley Wilson, son of Mrs. M. Y. Wilson, will sing in the Friday performance of "St. Matthew Passion." Wilson, a freshman, is majoring in business education.

The Festival will open Friday evening, May 2, with the singing of Bach's "St. Matthew Passion," featuring a double choir of 90 voices and accompanying orchestras. On Saturday afternoon there will be a program of chamber music, and a symphony concert that night by the Teachers College Symphony Orchestra. The B Minor Mass on Sunday afternoon will be given by 250 singers accompanied by a full symphony orchestra of 70 musicians.

This is believed to be the first time that a Bach Festival has been undertaken by any college in the Southwest, according to Dr. Wilfred C. Bain, head of the North Texas music department, and it should attract visitors from several neighboring states who will have the unusual opportunity of hearing the two great Bach compositions sung in the same week end.

—College News Service

J. W. Apperson of the 11th Engineers at Camp Bowie formerly book-keeper for the gin at Tuxedo, came up for the past week end with home folks. He is a big fine fellow, who says engineering practice in the army is hard work.

G. P. Odom Died Early Thursday

G. P. Odom, pioneer railway operator and agent for the Orient and the Santa Fe in Hamlin, died at the San Angelo Clinic, at 7:00 o'clock Thursday morning, April 24th.

The Barrow Funeral coach went for the body and till late Thursday funeral arrangements had not been announced. However, reliable information is that burial will be in East Cemetery, perhaps Friday or Saturday.

Mr. Odom had been in the Clinic for about two weeks.

CARD FROM MRS. ODOM

WRITTEN BEFORE THURS.

Please thank the Hamlin people for us, for the lovely flowers, cards and letters we have received. We have appreciated them so much.

(G. P. is still in a very serious condition.)

Sincerely,
Mr. and Mrs. G. P. Odom

Aspermont Editor's Wife Died Of Burns

The Herald force and family deeply sympathizes with Editor W. L. Garner and sons, of the Aspermont Star, because of the loss of Mrs. Garner in a tragic fire at their home late Monday afternoon.

Mr. and Mrs. Garner had just returned from Haskell where they had visited her mother, Mrs. G. A. Dunaway. Later they were out working in the yard and Mrs. Garner went into the house to prepare for going to a play in which Mr. Garner was one of the cast. Some kind of an explosion caused the house to flame up quickly catching Mrs. Garner in the bath tub. All efforts to get into the house were unavailable, and after the house had burned down, her body was found, being preserved by the water in the tub.

This is a terrible tragedy and the bereaved one of the family have the sympathy of all.

CHURCH OF CHRIST

"There's a man in the world who is never turned down,

Wherever he chances to stray;
He gets the glad hand in the populous town,

Or out where the farmers make hay;

He's greeted with pleasure on deserts of sand,

And deep in the aisles of woods;

Wherever he goes there's the welcoming hand—

HE'S THE MAN WHO DELIVERS THE GOODS."

Someone has said the thing that makes us sick, is too much vitamin "I" in the mental system of others.

A preacher has preached a fine sermon if he has taught his audience to "deliver the goods;" do their jobs well, and to think of others as well as themselves.

Minister, Luther G. Savage

Miss Lucile Nicholson is in the Stamford Hospital for treatment. She was taken there Sunday.

Baptists Will Close Their Revival Sunday

For almost two weeks a large number of people have listened to Rev. Philip McGahey, of Breckenridge, preach Christ and Him crucified. More and more they have been impressed by the challenging messages and inspired by the good spirit that has permeated the revival from the beginning. Many have made definite decisions already, and more are expected to make such decisions before the revival shall come to an end.

This revival will close Sunday night. After the evening service there will be a beautiful baptismal

service, and this special series of services will end. Rev. McGahey will bring his closing message Friday night, but the services on Sunday will be conducted by the pastor of the church.

We are working for 400 in Sunday school Sunday. We had 368 last Sunday, the largest number, some say, in the history of the church. We want to go beyond this number Sunday with 400, and we wish to urge everyone not in Sunday school to be present.

H. E. East, Pastor

Enjoyed Working With Hamlin People

The visiting pastor from Breckenridge, while conducting the revival the past two weeks, has spoken to several clubs and groups outside of the Baptist Church. He is very liberal in complimenting Hamlin. He has found a congenial spirit in the people of Hamlin in every circle. He is not altogether a stranger here, as he finds some of his former

schoolmates and associates of other days.

Excellent attendance has been had at every service, although rainy weather has had its effect. Don't forget that this Friday Rev. McGahey will close his part of the revival. If you have not heard some of his sermons, this is your opportunity.

Natural Gas Is Used In Defense Efforts

Dallas, Texas—Gas helps put bombers in the sky. In its own efficient way, this fuel is doing a bang-up job of helping Uncle Sam to roll armament production into high gear, according to discussions scheduled for the national convention of the natural gas section, American Gas Association, in Dallas May 5-7. This and similar topics will be presented under the general theme of "The Part Natural Gas Is Playing in National Defense."

The natural gas industry of the nation, with several thousand visitors, will be represented at the convention.

From hardening intricate parts of machine guns to the final heat treating of tiny parts for gigantic bombers, specially designed gas furnaces are speeding national defense production at an ever-increasing pace. Equipment developed for peacetime uses through co-operative research and engineering under sponsorship of the American Gas Association, is rapidly being put to work to speed production in war industries.

North American Aviation, Inc., warplane plant between Dallas and Fort Worth, is an example of natural gas service to national defense projects. Supplying all fuel requirements at the \$7,500,000 factory, the Lone Star Gas Company's 4,800 miles of interconnected pipe lines assures an adequate supply of gas under all conditions short of a general disaster. Another example is at Camp Barkeley, eight miles S. W. of Abilene, where 19,000 officers and men of the 45th division depend upon natural gas for all fuel requirements, from heating water for shaving to generating steam for heating the sixty-six buildings that

comprise the 710-bed hospital area. The problems overcome in supplying these national defense plants and camps are to be studied at the Dallas convention.

Two More Hamlin Boys Enter Navy

The Abilene Navy Recruiting station reports that Vesta L. Townley son of Mr. and Mrs. Everett Townley of Hamlin, and Elvis Magee Wallace also of Hamlin, have entered the U. S. Navy and have been sent to San Diego, California for their first training. This gives them a choice to learn a trade and be assigned to the Fleet.

NAZARENE CHURCH

Sunday School, 9:45 A. M.
Morning worship, 11:00 A. M.
N. Y. P. S., 7:15 P. M.
Evening sermon, 8:00 P. M.
Juniors Monday at 4:00 P. M.
Prayer meeting Wednesday, 8:00 P. M.

The spiritual needs of man have always been greater and of more vital importance to civilization than the temporal or political need. We cannot minimize the need of loyalty to our government at this critical hour. But we would urge all our people to be loyal to both the church and government, for if the church (the Christian people) fail the government has always failed. Because our government is founded on the laws of Christ and His church. Therefore in order to be loyal to our government, we must be true to the head of all government, Jesus Christ, the Savior of the world.

Then, we urge you to attend church and welcome you to worship with us each Sunday.

Dan D. Jones, Pastor

Hamlin Fishermen's Jubilee Offers Free Breakfast and Many Prizes

On Thursday morning, May 1st, at 12:01 A. M., the 1941 fishing season will get under way at the two city lakes west of town. A committee has been appointed to arrange to serve a free breakfast to all who attend from 6:00 A. M. to 8:00 A. M. The breakfast menu consists of coffee, fish, and bread, and everyone is welcome to be present at the breakfast. The fishermen who wish to spend the night at the lake so they can get an early start will be served coffee free throughout the night.

A great many prizes have been secured from the merchants of the town, and the prizes will be given to the following:

No. 1—First legal bass caught by boy or man and checked in to Frank Cauble, keeper.

No. 2—First legal bass caught by girl or woman and checked in to Frank Cauble, keeper.

No. 3—First legal crappie caught by boy or man and checked in to Frank Cauble, keeper.

No. 4—First legal crappie caught by girl or woman and checked in to Frank Cauble, keeper.

No. 5—To person catching first legal limit string of bass.

No. 6—To person catching first legal limit string of crappie.

No. 7—To person catching first legal limit string of bream.

No. 8—To person catching heaviest legal string of bass, crappie, bream, or perch during the month of May.

No. 9—To person catching heaviest fish before 7:30 A. M. on May 1st.

At one time the Hamlin lakes

were known as being among the best fishing lakes in the State of Texas. They have recently been restocked with bass, crappie, and channel cat, and this year should be a banner year for fishing in the Hamlin lakes. A committee in charge, has indicated the name of the event would be called "The Hamlin Fishermen's Jubilee," but it must be remembered that fishermen from other towns will be invited to be present and to partake of the free fish breakfast and to compete for the many valuable prizes that will be offered at this time. Prizes have been secured in the total amount of approximately \$50.00, and the committee is still at work and hopes to obtain other valuable prizes to award at the Jubilee. The prizes will be awarded at 7:30 A. M. at the free breakfast.

INK WE SPLATTER

All picnics are fun—even fresh-
 man picnics. But oh! To split your
 slacks is a calamity, especially when
 you're right in the middle of things.
 Ask Christine B.

Really, we didn't know that one
 person could cause so much inter-
 est. But "Rusty", Coach's brother,
 showed us different. Many a young
 girl heaved a deep sigh when she
 saw him.

There's a little blonde freshman,
 Billie D., whose heart would turn a
 double flip if a certain little sopho-
 more boy would only smile at her.
 Come on, Harold N., give her a
 chance.

Will wonders never cease? Now,
 Hope and Selma claim that they are
 twins. They've been told that they
 look alike, but who would ever have
 thought they would really take it to
 heart? Anyway they think they are,
 so who are we to squabble?

These freshmen really seem to be
 having their troubles, Jack H. has a
 girl, but the girl can't go out nights.
 Don't worry, Jack; it won't be long
 now; just keep your chin up.

What's the idea of W. A.'s name
 being on all the little cupid's in a
 certain magazine? He may be cupid;
 you never can tell. Just the same,
 we'll say that your guess is as good
 as ours.

Several of the Pied Pipers were

missing the first part of last week
 and we hear they've been down to
 see the soldiers. Even though they
 are sunburned, they admit that they
 had a swell time.

Have you ever seen so many cov-
 ertalls, jackets, and suits boosting our
 football team, our band, and our
 Vocational Agriculture? They really
 look pretty.

Tennis is certainly "the thing"
 right now. Every morning, noon, and
 afternoon there's oodles of Pied Pip-
 ers out there yelling that it's their
 time to play or just merely yelling.

STUDENTS TO ENTER BAND CONTESTS

For the past several years, the

TEXAS INDEPENDENCE

By W. D. Bristow

While many countries abroad are
 defending their independence, we
 Texans celebrate a colorful and
 significant day in the history of
 Texas, Independence Day. Texas in-
 dependence is glorious, richly sea-
 soned with heroism and unselfish
 patriotism. The document which de-
 clared Texas people free from tyr-
 anny stands today as a representa-
 tive of Texan ideals. As long as

these ideals prevail, Texas soil will
 not be the breeding place for for-
 eign isms; but these isms will be
 recognized by industrious Texas
 citizens, and they will be weeded
 out.

Independence is a principle that
 we must respect and be ready to
 fight for. With independence like
 that of Texas, our nation will re-
 main firm, even in a trembling
 world.

Hamlin High School Band has com-
 peted against many other bands in
 the State Music Contest. This year
 the contest will be held in Abilene
 during the 24th, 25th, and 26th of
 April. This year as never before, the
 band will have thirteen entries in
 the contest. They are as follows:
 Virginia Brown, Flute solo; Milton
 Fletcher, Baritone solo; Vera Pearl
 Fielder, Alto Clarinet solo; John
 Henry Vaughan, Trombone solo;
 Guy Loyd Elkins, Bass solo; Phala
 Davis and Billie Faye Rountree,
 Drum solo; Ensemble or Reed quar-
 tet consisting of: Virginia Brown,
 Flute; Joyce Hudson, Oboe; Jimmy
 Clements, Clarinet; Hope Cade, Bas-
 soon; Drum Ensemble consisting of:
 Phala Davis and Billie Dean Dunlap,
 snare drum; Billie Faye Rountree,
 Cymbals; Betty Lou York, Bass
 Drum; Twirling solos by Marie Hol-
 land and Faye Martin.

The Band will enter three con-
 tests—concert playing, sightreading
 and marching. All entries and the
 band will enter in class 2-B, which
 is a new division created for young
 bands.

ASSEMBLY PROGRAM

Friday, April 18th, the students
 and faculty were assembled in the
 auditorium for a very impressive
 program.

The Grammar school Choral Club
 sang several non-classic numbers in-
 cluding separate songs by the boys
 and girls.

Rev. Philip McGahey, who is con-
 ducting a revival at the First Bapt-
 ist church, gave an interesting talk
 on the "Life of Absalom." He com-
 pared Absalom's sins and faults with
 our present day life. A special in-
 vitation was given to the High school

students to attend the Baptist re-
 vival meeting.

KNOW THE RAG-NOTS?

Many boys and girls in H. H. S.
 do not know the Rag-nots, who
 work out every evening just as hard
 as the first team does so that we
 may be assured of a good football
 team in the future. It is time to
 give these boys and their coaches
 some credit, for they are working
 long hours that H. H. S. may con-
 tinue to defeat Stamford, Anson,
 Albany, and Haskell in football.

The Rag-nots are Paul Fowler,
 Leslie Cowan, ends; W. T. Johnson,
 Glenn Richardson, L. B. Petty, and
 John Flores, tackles; Ellis Benham,
 Billy Reynolds, Dean Criswell, and
 E. L. Lee, guards; and Billy Arm-
 strong, Gilbert Bowman, centers;
 and Larry McCoy, J. C. Riddle, Jes-
 sie Locke, Leon Low, John Lee Bar-
 nett, Taylor Sipe, and Bobbie
 Barnes, backfields.

Last Saturday afternoon the
 Rag-nots defeated elementary school
 football team 7 to 6.

The Rag-nots receive very effi-
 cient coaching from Jack Ellison
 and R. A. Dean, both of whom will
 long be remembered as members of
 the District Champions in 1940.

G. R. BENNETT, A SUCCESSFUL TENNIS COACH

Superintendent G. R. Bennett is
 largely responsible for Tommy Hill's
 success in tennis. As a superior ten-
 nis player himself, Mr. Bennett ear-
 ly recognized Tommy's future possi-
 bilities and began playing with him
 when he was in the sixth grade. It
 was learned from one of his ele-

mentary school teachers that on
 one occasion when Tommy became
 very restless in the classroom, he en-
 thusiastically explained, "Mr. Ben-
 nett has promised to take me to the
 tennis match, if he has room." It
 was not long before Mr. Bennett
 came to take him to his first district
 tennis meet. While Tommy watched
 Maurice Fincher play, he expressed
 a desire to play like that. Mr. Ben-
 nett remarked, "You'll play better
 when you are a senior."

Tommy's ambition through High
 school has been to take his coach to
 the State Meet. His victory in the
 regional enables him to fulfill his
 ambition.

Mr. Bennett's persistent interest,
 his inspiration, and consistent prac-
 tice, have played no small part in
 enabling Tommy to achieve success
 in tennis.

JUNIOR TRIP PLANNED

Last Tuesday the Junior class
 met and planned their annual trip
 which will be at Cisco. They will
 leave the High school building Fri-
 day, May 9th, at 5:00 A. M. and
 will return about nine that night.
 They will go to the Cisco Lake
 where they will swim and picnic.
 The chaperones will be the sponsors
 Miss Blake and Miss Smyers, the
 home room fathers and mothers and
 others to be selected later.

CONGRATULATIONS!

The FFA boys were all excited
 Monday when they heard that Mr.
 Campbell, their instructor, has won
 a new title, "Daddy". The boys re-
 joice with Mr. and Mrs. Campbell.

(Continued on Page Seven)

MORE SCHOOL NEWS

TENNIS IN THE AIR

By Tommy Hill

At the present time the most popular extra-curricular activity in the Hamlin High school is tennis. Just saunter out to the tennis courts in the mornings before classes or after school, and you will see students clustered around the courts awaiting their turn to play.

It is interesting to note the different styles of play. Some grasp their rackets firmly at the extreme end, while others choke their bats. Some try to knock the cover off the ball, while others are content to "pat" the pellet gently over the net. If you want to witness some comical scenes just visit the tennis courts.

30 STUDENTS ON HONOR ROLL

Out of 30 students who made the honor roll the second six weeks of this semester, 15 made "A" in all subjects. They are: seniors: R. A. Dean, Joyce Hudson, Tommy Hill, Geneva Huling and Odean Murphree; juniors: Selma Hassen, Clara Spratlen; sophomores: Ellis Benham, Paul Fowler, Phala Davis, Koleta Adkins, and Margaret Sellers; freshmen: Billie Dean Dunlap, Frances Gardner, and Wanda Williams.

Students making only one "B" were: Seniors: Wanda Bowen, Harold Fletcher, and Marguerite Nobles; juniors: Joe Ball, W. D. Bristow, Earl Smith, Hope Cade, and Virginia Hampton; sophomores: Frances Ubben, Vera Pearl Fielder, Mozelle Gabriel; freshmen: Jack Harden, Charlene Durham, Betty Lou York, Helen Spratlen.

BAND PRESENTS

ASSEMBLY PROGRAM

Tuesday morning Hamlin High School Band presented the following contest numbers before the student body in assembly: "Queen City" (march); "Onward Ye People"; and "The Crusaders" (overture). The Band will enter the State Band Contest Friday, April 26th. The Band has improved on the contest numbers and plans to make a good showing at Abilene.

The marching band has been working out formations for the marching contest. Every morning at seven o'clock, the sound of drums

awake sleeping citizens. Every band student has been contributing his best to make the band outstanding in the contest.

Another part of the contest is the sight reading. Every band must be able to sight read at least two numbers. The grade or rating made on this part of the contest will be added to the other ratings, and the final decision will decide the winner of the contest.

Texas Men Make Up A Sizeable Army

With 272,005 Selective Service registrants classified by Texas' 351 local boards as of April 1, on the basis of their availability for military service, only 527 appeals had been made to Selective Service boards of appeal, and only one request for adjudication of decision had been submitted to the President, it was announced today by General J. Watt Page, State Director of Selective Service.

"This is a splendid record for our State," General Page declared when making the announcement. He said:

"It is a record that speaks highly for the work of the patriotic citizens who are serving with pay as members of Selective Service boards and as examiners and advisors, and also to the credit of our State as a whole. It is more heartening to all Americans to know that this spirit of co-operation for National Defense prevails throughout the country, for according to information from National Headquarters, more than four million registrants now have been classified with only a comparatively infinitesimal number of appeals from the decisions of Selective Service boards."

At the same time, General Page said, the Selective Service System is anxious to make certain that all registrants, their dependants and others interested in their welfare, have opportunity to obtain review of any classification they consider unjust.

"There is an obligation," he said, "upon all members of the Selective Service System who come in contact with the registrant to make certain that he understands, not alone that he has the privilege of appeal, but also when he must do it and how he must do it. We cannot afford to permit registrants who want to appeal to lose their opportunity simply because they do not understand the what, when and how of so doing. While we do not want the appeal

Electric Service

The Whistle

You NEVER Hear.. and

Reddy's Whistle
While He Works

THE factory whistle is a symbol of industry... a signal used to start and stop men at work. No such whistle, however, is used by Your Electric Servant in West Texas. There is no starting and stopping to our job, for it is endless... a 24-hour-a-day job the year 'round. We are ready, willing and able to provide this unending type of Electric Service and be cheerful about it. Thirty years of training and experience, devoted entirely to the problem of giving you better Service at lower cost, have enabled our organization to develop an electric system that today is a model of efficiency and dependability.

WE ARE READY!

We are prepared NOW to serve Uncle Sam, in addition to your daily needs, without government subsidies from taxation.

Clean-Up CAMPAIGN

Let's Clean Up This Place In Which We Live

This is your job as well as your neighbors. Every man, woman, boy and girl who lives in Hamlin is responsible for a part of this job, and when we get our town clean, we are going to keep it that way. The City will dispose of all trash, etc., placed in alleys. Co-operate with those in charge of your block.

—Observe The Following City Ordinances—

Trash

SECTION 2. All persons, firms or corporations now having wooden containers, boxes, barrels, made of combustible materials, or any containers other than those made of non-combustible materials, in the alleys within the fire limits of the City of Hamlin shall remove same immediately and replace them with metal containers.

Hogs

SECTION 1. An Ordinance to prohibit the keeping of more than four pigs by any one person or corporation within the City of Hamlin, and requiring a pen of at least 20 feet square for each hog kept.

Chickens

SECTION 1. That hereafter it shall be unlawful for chickens, geese, turkeys, guineas, ducks, or other fowls to run at large within the City limits of the City of Hamlin, Texas.

A LITTLE BIT ABOUT

This

AND A LITTLE BIT OF

THAT

WHO WILL BE SENATOR?

—Governor O'Daniel has set June the 28th as election day to vote upon who shall succeed the late Senator Morris Sheppard.

Who can fill the seat of that distinguished Texas statesman? Do not expect any one to measure up to Morris Sheppard in a less period than 10 years.

Already there are at least two outstanding men asking for the honor.

Attorney General Gerald Mann, says he can do the job.

Congressman Dies, says he is the man for the position, because he has already gained valuable experience and knows the national and world situation better than any man who has never been in congress.

Governor O'Daniel says: "I want the advice and suggestions and prayers of all my friends in making this

momentous decision." Now Mr. Governor, don't you know everybody knows that you are going to ask to be Senator? Why ask for "advice" why be so sacreligious as to ask people to "pray?" Pray for what? Pray for whom?

—T & T—

Politics in Texas is like the war in Europe . . . you can't tell what a day will bring. Sunday Mr. O'Daniel was asking for advice and prayers . . . Monday he was making a surprise speech at the great San Jacinto Battle monument, and all of a sudden he bounced out an appointment to fill the vacancy in the Senate, and if ever there was a dark horse selected it was then announced. His name is Andrew Jackson Houston, age 87, Supt. of Grounds, San Jacinto Park. Mr. Houston is a distinguished gentleman and one we are glad to honor as the last and only son of General Sam Houston.

The only thing Senator Houston can do for his country now in the Senate is to cast a vote when told by someone else how to do it. A vote needed perhaps in a close contest.

There are several angles to just why the Governor appointed Mr. Houston.

This leaves the Governor free to listen for "advice" and feel the effect of "prayer." The next move will be his announcement as a candidate.

Soldier Boy Writes From Puerto Rico

40th Bomb Gr., 44th Bomb Sqdn., Boringuen Field, Puerto Rico, April 5, 1941

Mr. Bowen Pope, Editor
The Hamlin Herald
Hamlin, Texas

Dear Mr. Pope:

Sorry to bother you with changing the address of my Herald so much, but I guess Uncle Sam knows best. Anyway, I have been transferred to another Group here at Boringuen Field. This probably will be the last transfer I will make, for some time anyway.

I have been here in Puerto Rico since December 27, 1940, and I must say that I like it very much. Of course it does not have the comforts of home, but it certainly has its nice spots. I have been going swimming here all the winter, and believe me I enjoyed it. After having spent four weeks at Fort Slocum, New York, the nice sunshine sure was nice. Most of the time I was at New York the ground was covered with snow, and the temperature was very near zero.

The people here are mostly Spanish, but they speak very good English as they are compelled to study it in school from the sixth grade on through high school. The native language is still Spanish though, and the first language they learn. The Island, which is only about twice the size of Jones County, has a large University and several smaller colleges. All of the higher class of Puerto Ricans are well educated, and are very loyal to the United States.

Ever since I graduated from the Air Corps Technical School at Chanute and Scott Fields, Illinois, I have been a radio operator. At the present time I am working in the Army Airways Communications Station, but soon I am going to start operating on one of our bombers here, as I have been transferred to that Group. I like radio work here very well, and think that I should like it any where.

Our tropical climate here is about the nearest thing to being perfect that I have ever seen, never very cold or very hot. The principal occupations on the Island are farming and the sugar cane industry. A complete strip around the Island is very fertile, and very satisfactory for farming, and the interior is mostly mountains. I believe an air view of

Puerto Rico can not be surpassed for beauty by any place in the world.

Most anything I could say about Puerto Rico would be favorable, but it is no paradise, and has its bad points as well as its good ones, but for two years, I think it is a marvelous place to be. The Virgin Islands, just east of Puerto Rico, are also very nice, but inhabited mostly by negroes and British.

With these words I wish you and the Herald, the very best of luck.

Another Hamlin boy

W. B. Teague

40th Bomb Gr., 44th Bomb Sqdn., Boringuen Field, Puerto Rico.

P. S. The poems I am enclosing were written by soldiers here on Boringuen Field, and I think they are interesting, and I thought perhaps you would enjoy them. They are just poems, written for fun and not profit.

O. K., Soldier Boy! We have read your "poems", and rememberin' once upon a time "romance" danced around our own world of young manhood—we know how you feel—and to be in the land of perpetual "spring" one's fancy must be continuously turning to thoughts of love. Keep up your "poem writing" Here's a sample:

"PLEASE THINK OF ME"

Our hands were clasp to last forever,
Perhaps we'll never meet again,
I loved her then as I could love no other,
This parting fills me with pain.

You asked and freely I forgave you,
The happy past I must forget,
And then I wonder on in sorrow,
I hope that you'll be happy yet.

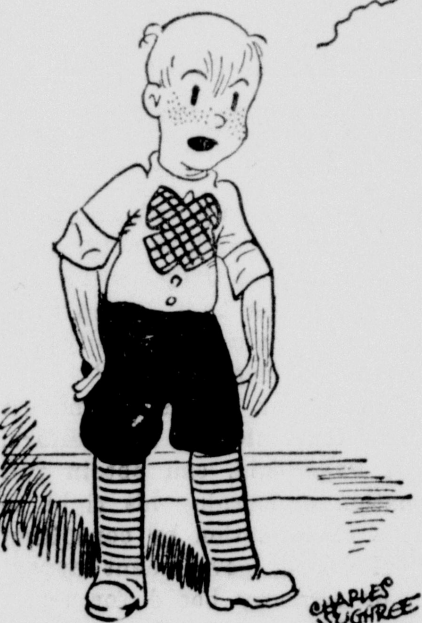

As thru this weary world I wander,
My thoughts will be of you
In memory I will see you ever
I loved you more than you knew.

Perhaps when I have gone forever,
You will sometimes think of me,
And wonder if I'm dead or living,
Perhaps I'll think of thee.

And when your friends have all separated,
The friends you thought were true
Remember one you left heart-broken,
Who loved you more than you knew.

Mrs. John Ferguson Honored On Birthday

Mrs. S. C. Ferguson was joined by Mrs. James Ferguson, Mrs. Charlie Ferguson, of Sylvester, and Mrs. Lee Otis Ferguson, of Graham, in entertaining Saturday afternoon in her country home south of Hamlin, honoring their mother-in-law, Mrs. John Ferguson on her seventy-seventh birthday.

For the occasion, the entertainin* rooms were attractively decorated with roses and sweet peas in pastel shades. A white linen cloth covered the dining table which was centered with a large white birthday cake surrounded with fern and sweet peas. Across the top of the cake was "Happy Birthday Mother," inscribed in pink and tiny pink candles formed the figures 77.

Mrs. M. P. May paid a beautiful tribute to the honoree and presented the program which was opened with a sing song led by Mrs. Bingham with Mrs. James Ferguson at the piano. The songs selected depicted the life of Mr. and Mrs. Ferguson from the days of their courtship on through the 77 years they have spent together. An appropriate reading was given by Penny Francis Ferguson and the honoree played several numbers on the violin. The program closed with a vocal duet by Mrs. Bingham and Mrs. James Ferguson.

Mrs. Ferguson was presented a large basket of lovely and useful gifts which she unwrapped and passed to guests for them to see. Home-made ice cream and cookies were served at the refreshment hour.

Assisting in entertaining were Mrs. Ferguson's granddaughters, Mr*. Roy Parsons of Roby; Louise, Penny Francis and Jo Annie Ferguson, of Sylvester; Mrs. Charles Ferguson, of Plasterco, Mary Lou Scott, of Graham and Francis Mae Dunbar of Saint Jo.

Mrs. Ferguson is one of Jones county's pioneers, a woman of rare charm and talent. She came with her

husband to this county more than forty-two years ago, and for the past forty years has lived in this community.

Enjoying this happy occasion with her were Mmes. Minnie Gilbreath, J. A. Holden, John Hudson, R. L. Milstead, Frieda Schoemann, M. R. Hudson, E. K. Whittenburg, A. G. Hudson, I. E. McClure, Fed H. Britton, J. P. Bingham, C. D. Bingham, Ray Johnson, Robert Johnson, Weldon Johnson, A. F. Dixon, F. I. Walker, M. P. May, T. J. Brown, Bowen Pope, George Beavers, Henry Jackson, S. E. Jones, Burns Eakin, J. E. Corey, W. R. Wilkerson, Roy Brown, Mary Renfro; Mr. and Mrs. A. H. Carlton; Mmes. Jet Milsap, W. B. Warren and E. O. White of Anson; Mrs. C. H. Dunbar, of Saint Jo; Mrs. M. M. Kiser, of Sylvester; Mrs. Louis Boyd of McCaulley; Mrs. Kate Boyd of Carlsbad, New Mexico; Misses Elmo Joy Wilson and Dorothy Hudson.

Miss Evaline Graham And Thomas Ferguson Married Wednesday

Miss Evaline Graham, daughter of Mr. and Mrs. W. S. Graham, and Mr. Thomas Scott Ferguson, son of Mr. and Mrs. S. C. Ferguson, were united in marriage Wednesday evening at 6:30 o'clock at the home of the Rev. H. E. East, pastor of the First Baptist church of Hamlin, with Rev. East reading the single ring ceremony.

The bride wore an ensemble of black and white with black redingote and accessories of black and white.

Both Mr. and Mrs. Ferguson are graduates of the Hamlin High school. For some months she has been employed in the Schoemann Company store and Mr. Ferguson has been engaged in farming and ranching.

The couple left immediately for a visit to Fort Worth, and when they return they will make their home in Hamlin.

I GIVE YOU TEXAS

(By BOYCE HOUSE)

The wheel of events spins and we are today where the world stood nearly a century and a quarter ago, which makes timely and significant the words of Robert G. Ingersoll regarding another military genius whose far-reaching ambition at last resulted in his own downfall:

A little while ago I stood by the grave of Napoleon—a magnificent tomb of gilt and gold, fit almost for a dead deity, and gazed upon the sarcophagus of black Egyptian marble where rest at last the ashes of that restless man. I leaned over the balustrade and thought about the career of the greatest soldier of the modern world.

I saw him walking on the banks of the Seine, contemplating suicide. I saw him putting down the mob in the streets of Paris. I saw him crossing the bridge of Lodi with the tricolor in his hand. I saw him conquer the Alps and mingle the eagles of France with the eagles of the crags. I saw him in Egypt in the shadow of the pyramids, where thirty centuries looked down upon him.

I saw him in Russia where the infantry of the snow and the cavalry of the wild blast scattered his legions like winter's withered leaves. I saw him at Leipsic in defeat and disaster—clutched like a wild beast—banished to Elba. I saw him escape and retake an empire by the force of his genius. I saw him on the frightful field of Waterloo where Chance and Fate combined to wreck the fortunes of their former king. And I saw him on the lonely isle of St. Helena, with his hands clasped behind his back, gazing upon the sad and solemn sea.

I thought of all the orphans and widows he had made—of the tears that had been shed for his glory—and of the only woman who ever loved him thrust from his heart by the ruthless hand of ambition. And I said: I would rather have been a French peasant and worn wooden shoes; I would rather have lived in a hut with the vines growing over the door and the grapes growing purple in the amorous kisses of the autumn sun, with my loving wife knitting by my side as the day died out of the sky—yes, I would rather have been that man and gone down to the tongueless silence of the dreamless dust than to have been that imperial personation of force and murder known as Napoleon the Great.

TO GO ON RADIO

This columnist is about to realize a long-cherished ambition: to have a radio program of my own. Beginning Sunday, April 27, and each Sunday thereafter, at 12:45, during the noon hour, you can hear the "I Give You Texas" man over Station KGKO. Hope you'll like it.

Vegetable Laxative Has Important Points

Most people want a laxative to do three things: (1) act punctually, (2) act thoroughly, (3) act gently.

Here's one that usually fills all three requirements when the easy directions are followed. It's an all-vegetable product whose principal ingredient has medical recognition as an "intestinal tonic-laxative."

That's the ingredient which enables BLACK-DRAUGHT to help tone lazy bowel muscles. It is the main reason for the satisfying relief from constipation that generally follows next morning when BLACK-DRAUGHT is taken at bedtime. The millions of packages used are proof of its merit.

Defense Savings Bonds, In Detail To Be Put On Sale May the 1st

The Defense Savings Bond will be offered for 75 per cent of its maturity value, with maturity of 10 years. Thus, a Defense Savings Bond bought in May, 1941, for \$18.75 will be redeemable in May, 1951, for \$25.00. This is an increase of 33 1-3 per cent, equal to an interest return of 2.9 per cent per annum, compounded semi-annually. This bond is not transferable, will not fluctuate in value and may be redeemed at any time before maturity at values printed on its face. Intended chiefly for people of small income, ownership is restricted to individuals in their own right, with a limit upon holdings of \$5,000 maturity value of bonds issued in any one calendar year. Denominations are \$25, \$50, \$100, \$500 and \$1,000. The Defense Savings Bond will replace the present "baby bond" series and will be available to all subscribers under the Regular Purchase Plan familiar to many thousands of small investors.

The new Series F. Savings Bond, intended for larger investors, for trustees, and for reserve funds, is offered for 74 per cent of its maturity value, with maturity of 12 years. It can be held not only by individuals, but by trustees, associations, pension funds, and corporations, with a limit of \$50,000 cost price issued in any one calendar year, alone or in combination with Series G. If held to maturity, the yield approximates 2.53 per cent a year. The Series F. Bond is not transferable, and may be redeemed on thirty days' notice after six months from date of issue in accordance with a table of redemption values printed on its face. Denominations are \$100, \$500, \$1,000, \$5,000 and \$10,000.

To meet demand for a current income bond, the new Series G. Savings Bond, to be issued at par, bears interest during its 12-year term at 2 1-2 per cent, paid semi-annually by Treasury check. Intended for both small and large investors, the Series G Bond is not transferable, and can be registered like Series F in the name of individuals, associations, and corporations, up to a total of \$50,000 cost price issued in any one year, alone or in combination with Series F. Denominations are \$100, \$500, \$1,000, \$5,000 and \$10,000.

Series G Bonds will be redeemable before maturity on thirty days'

notice after six months from date of issue at fixed redemption values printed on their face. In fixing these values, inducement is given to holders to retain their bonds until final maturity.

Defense Savings Bonds will be on sale May 1, 1941, at 16,000 Post Offices, at Federal Reserve Banks, and at the United States Treasury. Series F. and G. Savings Bonds may be obtained on application to Federal Reserve Banks or to the Treasury. Arrangements are now being made through which it is expected that orders for bonds of all three series will be accepted at commercial and savings banks generally.

Great emphasis is laid by Secretary Morgenthau upon the importance of Postal Savings Stamps as a means of encouraging steady savings among the youth of America and all others to whom payment of \$18.75 at one time for the smallest Defense Savings Bond is inconvenient.

The Postmaster General has approved a new series of stamps, of special design, priced at 10c, 25c, 50c, \$1, and \$5. Purchasers will be given attractive pocket albums in which to mount them. An album containing seventy-five of the 25c stamps has a cash value of \$18.75 and can be exchanged for a Defense Savings Bond which in ten years will be worth \$25. There are similar albums for mounting the \$50c, \$1 and \$5 stamps, exchangeable for \$50 and \$100 bonds.

Miss Elsie Wienke was in Lubbock from Tuesday until Thursday of this week attending a Beauty Show.

An Ordinance Regulating Camp Sites

An Ordinance of the City of Hamlin, Texas, adopting rules and regulations governing the leasing of camp sites on property surrounding Moore's Lake and the Upper City Lake in Fisher County, Texas, prescribing health and sanitation rules to apply in connection with the operation and use of such camp sites, and declaring such property to be in the Hamlin boundary district, prescribing a penalty for the violation of any of the provisions of this Ordinance, and declaring an emergency.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF HAMLIN, HAMLIN, TEXAS.

Sec. 1. The area described as the Moore Lake and the area known as the "Upper Lake" in Fisher County, Texas, and all other areas 1,000 feet adjacent thereto which comes under the supervision of the City of Hamlin, is hereby declared to be in the Sanitary District to be hereafter known as the Hamlin Boundary District and which comes under the power and supervision of the City of Hamlin.

Sec. 2. Within the Hamlin Boundary District, no home, camp, resort, establishment, public gathering place, or building shall be constructed unless a permit for the construction of same is first obtained from the Mayor of the City of Hamlin. No permit for the construction, establishment or maintenance of any permanent home, establishment, or building shall be issued unless adequate and acceptable methods of waste disposal have been provided and meets with requirements as set up by the State Health Department, and approved by the Mayor of the City of Hamlin.

Sec. 3. No open privies will be allowed on any of the above described premises. Pit toilets, chemical toilets and septic tanks are to be allowed and used in connection with private residences and cottages, except they will be allowed any distance not within 200 feet of the high water mark of the Moore Lake; where it is impossible to comply with this rule as to distance, then in that instance, the location of same to be approved by the Mayor of the City of Hamlin. When pit privies are used they must, in addition to the above requirements, meet the following design or its equivalent; the pit should be two and one-half feet wide and four feet long and six feet

deep and covered with either concrete or metal slabs or their equivalent and so located that no surface water will enter the pit by drainage or seepage, said privies shall be properly ventilated. All establishments and public gathering places shall provide such a number of pit privies, commodes and urinals as will guarantee at least one unit for each 25 persons expected to use the establishment, and not less than one unit for two families.

Sec. 4. All establishments of a temporary or permanent nature in the area must either be provided with a method of garbage and refuse disposal by incineration, or arrangements for semi-weekly transportation of garbage from the area must be made.

Sec. 5. No temporary camp, over night shelters, etc., shall be maintained within feet of the shoreline of the Moore Lake.

Sec. 6. It shall be unlawful for any person to swim or bathe in the water of the Moore Lake.

Sec. 7. No hunting, fishing, or boating shall be permitted in Hamlin Boundary District without a written permit. Permits may be obtained from the Lake keeper upon payment of fee and agreement to observe sanitary regulations, and by acquainting the Lake keeper of the applicant's knowledge and willingness to follow sanitary practices while on the water surface and the water shed.

Sec. 8. The Mayor of the City of Hamlin is hereby authorized to execute leases to individuals on a year to year basis, covering those certain tracts or lots of land surrounding Moore's Lake, uses of said leases to be subject to all the sanitary and health provisions herein set forth, and all buildings constructed thereon shall conform with said health and sanitary qualifications herein set forth. Before construction of any structure shall be commenced on any of said lots, plans for same shall be submitted to the Mayor of the City of Hamlin, for approval, and they must be approved by him before construction may be commenced. The annual rental for said leases shall be \$12.00 (Twelve and No-100 Dollars), payable in advance.

Sec. 9. Any person or persons violating any of the provisions of this Ordinance or any rules or regulations made in compliance therewith, shall be guilty of a misdemeanor, and upon conviction thereof, shall be fined in any sum not less than \$1.00 (One and no 100-Dollars) and not more than \$25.00 (Twenty-Five and No-100 Dollars) and each day's violation thereof shall constitute a separate offense.

Sec. 10. The fact that there is not now any adequate Ordinance regulating health and sanitation rules, nor the construction of buildings, on or adjacent to the Moore's Lake and the "Upper" Lake, and the further fact that the lack of such regulations effect daily the welfare of the Municipality, creates an emergency and an imperative public necessity, and the rules requiring an Ordinance to be read upon three separate and several meetings of the City Council are, by reason of such emergency, hereby suspended, and this Ordinance shall take effect from and after the date of its passage.

PASSED AND APPROVED this 18th day of March, 1941.

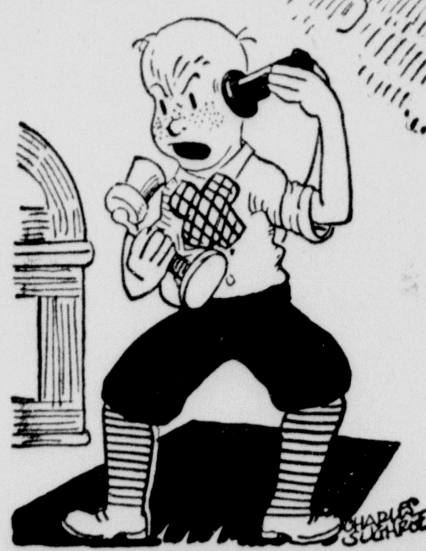

Joe Culbertson, Mayor

Wool Blanket, Made in West Texas, Given WTCC Museum

One of the first 100 blankets ever manufactured in West Texas, a product of the West Texas Woolen Mills in Eldorado and one of three bought by the West Texas Utilities Company at the auction sale and formal opening of the mills in February, has been placed in the Resource and Museum Institute of the West Texas Chamber of Commerce in Abilene.

The blanket was presented by Price Campbell, (right), president of the pioneer utilities company, to WTCC officials, D. A. Bander, (left), general manager, and Malcolm Meek, (center), treasurer.

Auctioned off by Gov. W. Lee O'Daniel, speaker and auctioneer at the formal opening, the blanket is to become a permanent part of the wool and mohair exhibit in the Museum and Institute, visited by thousands of people annually.

The gift to the WTCC was made following a tour of the mills by Mr. Campbell.

"West Texas produces the climate, the grass, and the people who in turn produce some of the best cattle, sheep and goats in the nation," he said. "This region is becoming famous for its wool and mohair and now is the world's largest market. There is no reason why we cannot do as good a job processing it as we do raising it."

"This mill," he predicted, "is destined to grow and become the forerunner of a great industry in which a native product is produced, manufactured and sold—all here in this region."

"We hope that placement of the blanket with the West Texas Chamber of Commerce will help lead to further progress and expansion along this line," he added, "and that successful operation of the Eldorado plant will inspire other industrial undertakings throughout West Texas."

Bander said that "it is a valuable addition to our collection of West Texas resources and manufactured products" and pointed out that all West Texans "are mighty proud of the West Texas Woolen

BLANKET PRESENTED TO WTCC OFFICIALS

Mills and the fact that the first wool manufacturing plant in the state is located in West Texas in the center of the greatest wool-producing area in the world.

"Thousands of out-of-state visitors to the Institute and Museum each year will inspect the blanket and learn that West Texas is turning from the 'raw material capital of the world,' to an industrial region as well," he declared.

"We are very grateful to the West Texas Utilities, which long has been a friend to agricultural

and industrial development throughout West Texas, for this gift. It will do much to help build up a market for the Eldorado product and to advertise the fact that virgin wool can be manufactured here at home."

Of the other two blankets bought by the utilities through its district manager at San Angelo, H. H. Bajer, and Eldorado local manager, Jerry Pennington, one is to be kept on display in the San Angelo district headquarters, while the other is being retained by Mr. Campbell, for exhibition in his office.

They feel sure that little Bobby will be a Future Farmer some day and will follow in the footsteps of his father. With red hair, Bobby is off to a good start.

WHO'S WHO IN THE**SENIOR CLASS**

R. A. Dean, president of the senior class, was captain of the District Winning Pied Pipers football team and played quarter back. This was his third year to letter. "Dizzy" as he is commonly called, is a charter member of the National honor society, president of the Press Club, member of the Falcon Club, and one of the coaches of the Rag-Nots. He was last year's junior class president and assistant director of the junior play last year and the same for the senior play this year. Next year he plans to attend the University of Texas.

Glen Adkins, vice-president of the senior class, was in both the junior and senior plays. He was vice-president of the junior class and one of the pep leaders for the studentbody. Glen is a member of the Falcon Club. He is little but mighty. He has a regular job at Albritton's Grocery.

Joyce Hudson, secretary and treasurer of the senior class, is the queen of Hamlin High. She is a charter member of the National Honor Society, of which she is the secretary. She is secretary of the Press Club, reporter of Junior Schubert Club, secretary-treasurer of the Sub-Deb Club, and president of Home Economics class. Last year she was secretary-treasurer of the junior class and in the junior play. She has had three years of band work. She plays the oboe and is the secretary-treasurer of the Band. She was also in the senior play. Next year she plans to attend N. T. S. T. C. and major in home economics.

Charlotte Dillingham, reporter of the senior class, is assistant editor of the school page, president of the glee club, reporter for the Band, a

member of the Junior Schubert Club reporter for the Sub-Deb Club and was in the senior play. She was secretary of the freshman and sophomore class. She plays the saxophone in the Band. Charlotte plans to attend a business school next year.

REGIONAL WINNER

Tom Wilson Hill won for Hamlin High school her first Regional tennis championship, Saturday, April 19th. He coasted into the finals by taking Sammy Smith of Goldwaithe 6-1 and 6-2. Jack Heigh of San Angelo entered the finals by winning over Ray Clark of Cisco. Hill easily brushed Heigh aside in straight sets 6-1, 6-0 and 6-1.

These victories earned for Tommy a trip to Austin and the privilege of representing Hamlin in the State Meet to be held May 2 and 3. In this meet the eight best tennis players in High school circles will be pitted against each other.

Hill's consistency in returning shots, his accurate placements on drives, and his uncanny skill at the

net in volleys make him the strongest contender to represent this region in several seasons.

—CONGRATULATIONS—

On the part of the Hamlin Public Schools, I should like to congratulate Tom Wilson Hill for his good sportsmanship, his fine tennis, and his gentlemanly behavior in winning the county, district and regional championships in tennis for Hamlin High school. Tom, you were a gracious and modest victor. We hope for you continued success in the state meet.

Signed,
G. R. Bennett,
Superintendent of Schools,
Hamlin, Texas

HOME TOWN SPEECH**CONTEST BEGINS**

As the time for Home Town Contest draws near, 17 entries are making the best preparation possible. Many of them have spent three weeks writing their speeches trying to approach the subject in a differ-

ent manner from the usual speeches about the home town. The speeches have been written with more enthusiasm than in previous years. The contest promises worthwhile entertainment for the entire community.

The following students plan to enter competition for prizes offered by the local Chamber of Commerce: Herbie Faye Johnston, Pauline Locke, Joyce Hudson, Dorothy Fern Routh, Jack Ellison, Julia Pitcock, Craigolene Elmore, Mary Nell Bell, W. D. Bristow, Phala Davis, Bernice Beard, Bobbie Tims, Tommy Hill, Virginia Hampton, Charlotte Dillingham, and Geraldine Elliott.

PIPERS GO SNOOPING

Yes, sir, Mr. Campbell is "setting the drinks up" to all the male faculty members in honor of his new red-headed son, Robert Almore Campbell. Confidentially, the Snooper heard some of the women teachers question his democratic spirit.

Ask John Henry Vaughan why he was in such a hurry to leave church

Monday night. Ummmm strawberry.

Joe Don Dickey has found his "Dream Girl" at last. Know him? Of course she does! Oh well, he can dream can't he?

"Forty-five Sleepy People" You said it. The band is marching from 7 to 9:30 these beautiful mornings, 'cause the band contest is just a week off.

Virginia Hampton says "Honesty is the best policy." Yes, sir, "Every teacher has been trying to assign the whole book," and Virginia doesn't hesitate in telling 'em about it.

"Cornny" and how! Those galloping glamor boys have definitely turned Hill Billy—overalls and bur-red hair and do the girls hate it?

The Snooper heard that Milton Fletcher is hoping and praying that the bathing suits will have just a little bit more to them this summer. Poor Milton, I hear the bathing suits are shrinking.

Watch the date on your paper. If you think it is wrong — tell us before your time expires.

We have made it our Number One Job to see that the National Defense Program goes steadily forward with the whole-hearted support of Lone Star Gas System

LONE STAR GAS SYSTEM**DALLAS, TEXAS**

April 16, 1941

1915 WOOD STREET

D. A. HULCY
PRESIDENTTo Employees of
Lone Star Gas System:

These are unusual times. At no other period in many years have we had the problems we face today.

No matter what other demands are made upon us we must work together faithfully, loyally, and with unity of purpose to render all possible assistance toward national defense. This is the Number One Job of every American citizen. Whatever is necessary, we are ready to do our part so that America's defense program will go steadily forward.

No other industry is more important than ours in the national program. Therefore, a full spirit of responsibility will serve each of us well in the demands which the national crisis is making and will continue to make on the natural gas industry collectively and individually. Let it be the firm resolve of each of us that whatever it takes we are ready for our responsibilities. When it is all over let it be said of you and Lone Star Gas System that we did not fail our country and our people in time of trouble.

D. A. HULCY
President

ALREADY natural gas is playing an important part in national defense activities in the Southwest, where army cantonments, airplane factories, and numerous other defense projects are dependent upon natural gas fuel service. Whatever it takes to get gas to these army camps and national defense plants, we will do it! Out goes the word to more than 3,600 employees and Lone Star Gas System rises to the occasion of the national emergency. Being accustomed to emergencies our employees with one accord subscribe to this policy of preparedness, "Whatever it takes—it shall be done."

Throughout the 4,800 miles of interconnected pipeline system and its associated facilities for dependable service—engineers, foremen, construction gangs, compressor station forces, drilling crews, supply depots, executives and personnel—all are alert to their newest responsibilities of public service.

**LONE STAR GAS SYSTEM**

PIONEERS IN THE DEVELOPMENT OF DEPENDABLE GAS SERVICE FOR MORE THAN THREE DECADES

POT SHOTS FROM M'CAULLEY

—BY GEO. DARDEN—

We read with interest the remarks of Congressman Sam Russell speaking to the House of Representatives, on strikes in the United States, — "Congratulations, Mr. Russell."

Camp Barkeley is about ready to be turned over to the Army, in fact most Zones have been turned over to Uncle Sam's boys. The writer has been transferred to the Administration building, under Captain Barnard Peters, construction quartermaster.

Dixie Maberry spent the week end in Rotan visiting the D. L. Smiths.

Mrs. W. W. Anders entertained with a surprise forty-two party for her husband on his birthday, April 18th, in the home of Mrs. Flora and Miss Gertie Mason. Those enjoying the occasion were Mr. and Mrs. Joe Skaggs, Mr. and Mrs. Dolph Skaggs, Mr. and Mrs. R. L. Miers, Mr. and Mrs. Luke Maberry and two daughters, Mr. and Mrs. Ted Abbott, and Mr. and Mrs. Geo. Maberry. The rooms were decorated with iris, and roses and daisies, and refreshments were served and a grand time reported.

The Juniors and Seniors of McCaulley High are leaving Friday morning for their annual trip to San Antonio, Austin and other points of interest.

Messrs. Tate May, S. E. Miers, Dave Maberry and Jim Ezell were in Abilene last Tuesday.

Granville Dean is home from a Sweetwater hospital where he is recovering from a car wreck suffered several weeks ago.

J. B. Jayroe and Tillman Henson made a trip to Lamesa last Sunday and we expect to see two young ladies.

Mrs. Fred Maberry is at home from a Abilene hospital where she has been ill with pneumonia.

Ninety-eight people were in Sunday school at the Baptist church last Sunday; only two more next Sunday will be a hundred.

INFANT SON BURIED

Eugene Debs Mustain, Jr., was born in the Stamford hospital at 10:30 Thursday morning of last week, and died at 2:30 the same day. The parents are Mr. and Mrs. E. D. Mustain of McCaulley.

The grandparents of the little one are Mr. and Mrs. J. H. Mustain and Mr. and Mrs. J. H. Pope, and the great grandmother, Mrs. D. W. Maberry, all of McCaulley.

Funeral services were conducted at the graveside at McCaulley, Friday morning at eleven o'clock, by Rev. Ottinger, pastor of the Methodist church.

The little body was in charge of the Kinney Funeral Home of Stamford.

0-0-0-0

If it takes conveying ships to the hard pressed armies of Britain, then let's get started. It seems as if Hitler and his mighty war machine are going to take every little country in the world if Uncle Sam doesn't stop him. Every American who believes in right and who has respect for all peace loving people throughout the world should make up their minds now to stop Hitler at all costs. We

have enemies in our country who insist that we are in no danger and never will be, but most of our leaders in Washington have good reasons to believe that we too could be invaded when and if Europe is taken by the dictators. I therefore believe it is my duty to my country to love it; to support its constitution; to obey its laws; to respect its flag; and to defend it against all enemies (William Tyler Page).

A DARDEN-O-GRAM

TUXEDO NEWS TIPS

By Audrey Juanita McCoy

Misses Audrey, Jo and Ruby McCoy visited Misses Ruby and Lorena Stephens of Hamlin Thursday night. Creig Stephens of near Stamford spent Sunday with Al Glenn.

Norma Fay Carlton, of Stamford, spent Sunday with friends and relatives here.

Miss Jo McCoy of Sanatorium, Texas, is here visiting relatives.

Miss Audrey McCoy visited Mrs. Tad Casner, of Stamford, Sunday afternoon.

Miss Ruby McCoy of Stamford, spent Thursday night with relatives here.

Mr. and Mrs. Lester Baize and Mrs. Bethel Baize were in Brownwood visiting relatives during the week end.

Paul and Elvin Carlton of Camp Bowie, Brownwood, were here visiting their parents during the week end.

DOVIE NEWS

By Vada Taylor

The subject for league Sunday evening, April 20, was "Joy In Living." Kenneth Green was leader, and the Scripture was read by Verna Faye Taylor. Talks were given by Morris Bessire and Vada Taylor.

Alvis Cooley filled his third Sunday appointment by bringing two good sermons.

Mrs. S. E. Taylor from Fritch, Texas, is visiting in the homes of her sons, Mr. W. E. Taylor, of Hamlin, and Mr. J. R. Taylor of Sylvester.

The pupils of Dovie school presented a negro play Monday evening, April 21st. Mrs. Dan Swindall, teacher of Dovie school, directed the play, which brought many laughs. The presence of visitors was very much appreciated and we wish to invite them back again.

Misses Eugenia Baskin and Mary Jane Kiechle and Mrs. Genevieve Kiechle, all teachers in the Ballinger schools, were guests of Miss Edwina Gilbert and mother, during the past week end.

Mrs. Kate Boyd, of Carlsbad, N. M., was here this week visiting Mrs. Forest Boyd and other relatives.

From The Depriest School (Colored)

The Hamlin Depriest School is very, very grateful to its many, many white friends and the P. T. A. (colored) for making it possible for the participants and teacher to attend the state meet which was held at Prairie View College, April 18th.

Due to the misunderstanding on the program about our enrollment, we were thirty minutes too late to enroll. Had we known the exact time of the enrollment, we would have made arrangements to be there on time.

In spite of our not getting a chance to participate, we had a nice trip.

Mrs. Aretta Polk and Mrs. D. L. Scroggins, with the help of Mary R. Van Zandt and Vivian Dean Wells, collected funds for the trip.

We really appreciate the funds from our many friends, and hope we can be of some service to you in any respect that you think we can.

W. O. Scroggins, Teacher
M. R. Van Zandt, Reporter

WISE CHAPEL NEWS

By Catherine Drake

Mr. and Mrs. T. W. Flenniken and son spent Sunday with Mr. and Mrs. J. P. Cornelius of Boyd Chapel.

Mrs. Gertrude Patterson and family and Miss Fay Neill spent Sunday with Mrs. Joe Dixon and family.

Mr. and Mrs. J. R. Bonds and Mrs. Earl Mote of Stamford; Mr. and Mrs. Joe Bonds Jr., and Mr. and Mrs. L. C. Bonds and son, of Hamlin, spent Sunday with Mr. and Mrs. Joe Bonds, Sr.

Jack Anglen, Bobby and Shelby Simmons, Alton Ellison, T. G. and C. P. Asklin, spent Sunday with E. L. Jenkins, Jr.

Mrs. Bingham and son Lois of Neinda spent Sunday with Mrs. Tom Neill and family.

Mrs. Carrie Whitaker, Mrs. Roscoe Greenway, Mrs. Clyde Whitaker, Guy Greenway and David Whitaker went to Ovalo Saturday to attend the funeral of Mrs. Williams, mother of Mrs. Emmitt Whitaker.

Miss Ernestine Jenkins visited Lola Faye Ford Sunday.

Every one enjoyed the party Saturday night that Fay Neill gave.

Mr. and Mrs. Aaron Jobe and family visited Mr. and Mrs. Earl Jobe and family at New Hope last week.

Mrs. Walker Hood of Fort Worth is a guest in the home of Mr. and Mrs. Johnnie Hines in the Flat Top community. Mrs. Hood is an old timer and is just visiting "back home."

Mr. and Mrs. Weldon Carter and family and Mrs. Lola Harbert and daughter, Mrs. John C. Jenkins and husband went to San Angelo Sunday to visit G. P. Odom who is in the Clinic Hospital for treatment.

It Pays to take the Herald

"Build-Up" Important Protector of Women

A weak, undernourished condition often enables functional dysmenorrhea to get a foothold; thus leads to much of woman's suffering from headaches, nervousness, and other periodic discomfort.

CARDUI's principal help for such distress comes from the way it usually stimulates appetite; increases flow of gastric juice; thus aids digestion; helps build energy, strength, physical resistance to periodic pain for many.

Another way, many women find help for periodic distress: Take CARDUI a few days before and during "the time." Women have used CARDUI for more than 50 years!

Mrs. W. W. Greenway of Borger visited Mrs. G. D. Raney and other old-time neighbors during the past week end.
